

edtomorrow

THE FIELD GUIDE

2026-27

Tools for the day. Connection for the long run.

The First Five, classroom tools, and professional learning.
A practical guide to everything Edtomorrow offers.

BUILT BY EDUCATORS. READY FOR YOUR CLASSROOM.

Start with a daily moment of connection.
Find the tools and support to build on it.

edtomorrow.com

Edtomorrow at a glance

A quick introduction to our products, tools, and professional learning.

The First Five

Free daily activities that build connection, care, and character across PK-12.

First Five Plus

Ad-free website access, the full archive, expanded tools, and unlimited searches.

Searchable Database

Find First Five activities by component, grade, skill, or keyword.

First Five Archives

Return to past daily editions, organized by date and grade band.

EdCloud

Keep your saved boards, quizzes, card sets, games, and resources together.

Ask Eddy

Get help finding an activity, using a tool, or planning your next classroom moment.

EdBoard

Arrange timers, prompts, media, and classroom tools on one shared screen.

EdQuiz

Turn one question set into five formats for review, practice, and competition.

EdCards

Create study sets for flashcards, matching, guided practice, tests, and Blitz.

EdGames

A ready-to-play game every school day for brain breaks and shared class challenges.

EdGames Builder

Turn your own lesson content into a game, then share it with students.

Friday Five Live

Hot Seat, Hunch!, Think Fast!, Classroom Feud, and Quick Draw! bring the room together.

Bingo

Run number Bingo, print cards, or use Plus to create custom word Bingo.

Word Wheels

Spin customizable word lists for writing prompts, acting scenes, and drawing ideas.

Crossword Creator

Turn clues and answers into a classroom puzzle with a printable answer key.

Word Search Creator

Build printable word searches from your own lists, with difficulty options and keys.

Organizers & Charts

KWL, Frayer, Venn, and Coordinate Grid tools help make student thinking visible.

Professional Development & Coaching

Hands-on training and implementation support for educators, leaders, and staff.

Foundational Frameworks eCourse

Self-paced learning on restorative practices, the First Five, and Classroom Circles.

Scope & Sequence

Plan around the skills, themes, and daily editions across the school year.

The Thursday Roundup

A weekly look at new tools, upcoming editions, classroom ideas, and Ask Eddy.

The First Five Live on YouTube

Classroom loops for breathing, quiet focus, and seasonal atmosphere.

Plus a teacher community: Streaks, referral rewards, giveaways, Fun Friday Find, and a place to share your ideas.

What does your school day need?

TEACHER TOOLS

Open tools and lead the learning at **edtomorrow.com**.

STUDENT ACCESS

For supported games and practice, students join at **edtgo.com**.

The First Five

A simple way to start with your students.

A free daily collection of activities for connection, care, and character. Choose what fits your class and make the opening minutes count.

PK-1

Junior

2-5

Primary

6-12

Secondary

CHECK-IN

Students use the activity below to identify how they are feeling.

1 day streak

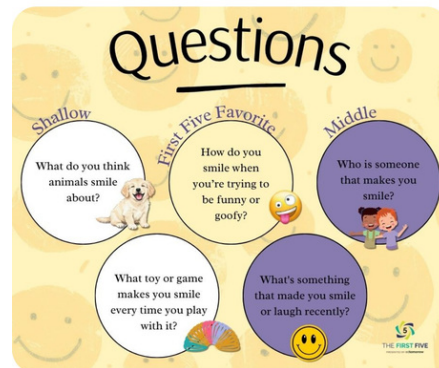

SKILLS: Emotions (Identifying), Emotions (Expressing), Emotions (Understanding)
CHARACTER TRAITS: Self-awareness, Honesty

QUESTIONS

Choose one or more of the questions to facilitate connection opportunities in your classroom.

1 day streak

SKILLS: Communication, Active listening, Critical thinking
CHARACTER TRAITS: Empathy, Confidence

QUOTE

Use the quote of the day to inspire personal growth.

1 day streak

PROMPTING QUESTIONS

- What does it mean to give someone one of your smiles?
- Who might need a smile from you today?

SKILLS: Critical thinking, Goal setting, Perspective-taking
CHARACTER TRAITS: Growth mindset, Resilience

Examples from the Primary edition: check-in, questions, and quote.

CONNECT

Memes, questions, greetings, and Quick Connects help students get to know one another.

CARE

Check-ins, mindfulness, and positivity make space for students to notice and name what they need.

CHARACTER

Quotes and videos invite reflection. The Collaborate section adds a shared EdGame.

Every school day at 7:00 AM Eastern. Spanish is included in each edition, with options to flip one activity or the whole edition.

[Open today's First Five](#)

Make it work for your class.

The activity is the starting point. The tools around it help you adapt the moment.

An activity card with its built-in toolbar.

01 Pick a name

Choose a student at random from a class list saved in your browser.

02 Draw and annotate

Write or draw directly on the activity as students respond.

03 Change the pace

Set a timer, roll dice, or flip a coin.

04 Try another approach

Find a teaching suggestion that helps you use the activity.

05 Flip to Spanish

Switch one activity or the whole edition to Spanish.

06 Swap the activity

Replace a card with a better fit for your group.

07 Focus or download

Dim the rest of the page or save an activity image for your slides.

A ROUTINE, NOT A CHECKLIST

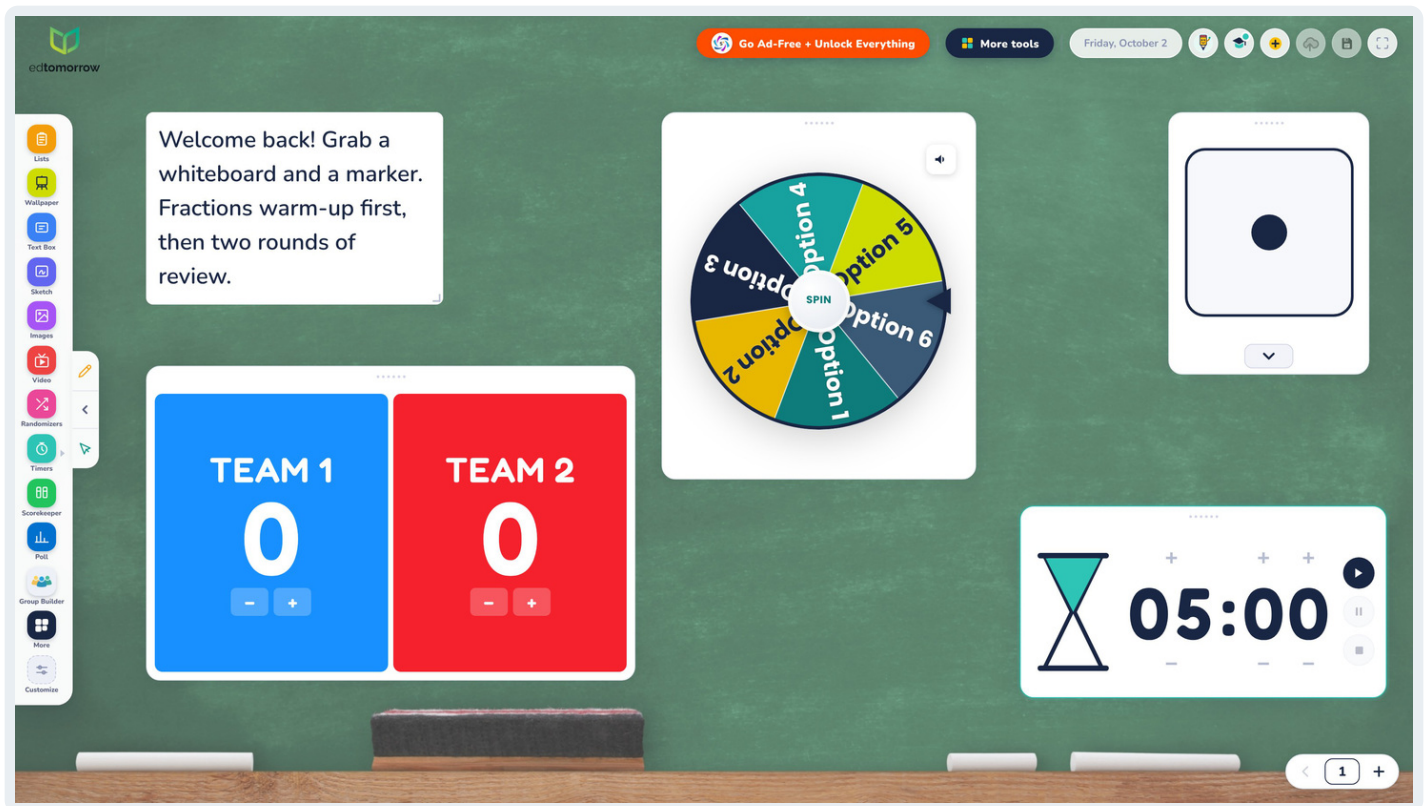

Choose a few activities and leave room for student responses. You can use different pieces across the day without working through every item.

Plus adds unlimited swaps, a spinner and number generator, saved favorites, and an early look at the next edition.

EdBoard

Your classroom, on one screen.

Build a board for the way you teach. Add the tools you need, arrange the space, and keep the class moving.

A working EdBoard with a welcome message, spinner, dice, scores, and timer.

MANAGE THE MOMENT

Timers, name pickers, scorekeepers, polls, dice, and spinners.

SHOW THE LEARNING

Text, images, video, sketches, and graphic organizers.

MAKE IT YOURS

Choose a background. Move and resize the widgets for your lesson.

FREE

Start without an account. Your board stays in that browser.

FIRST FIVE PLUS

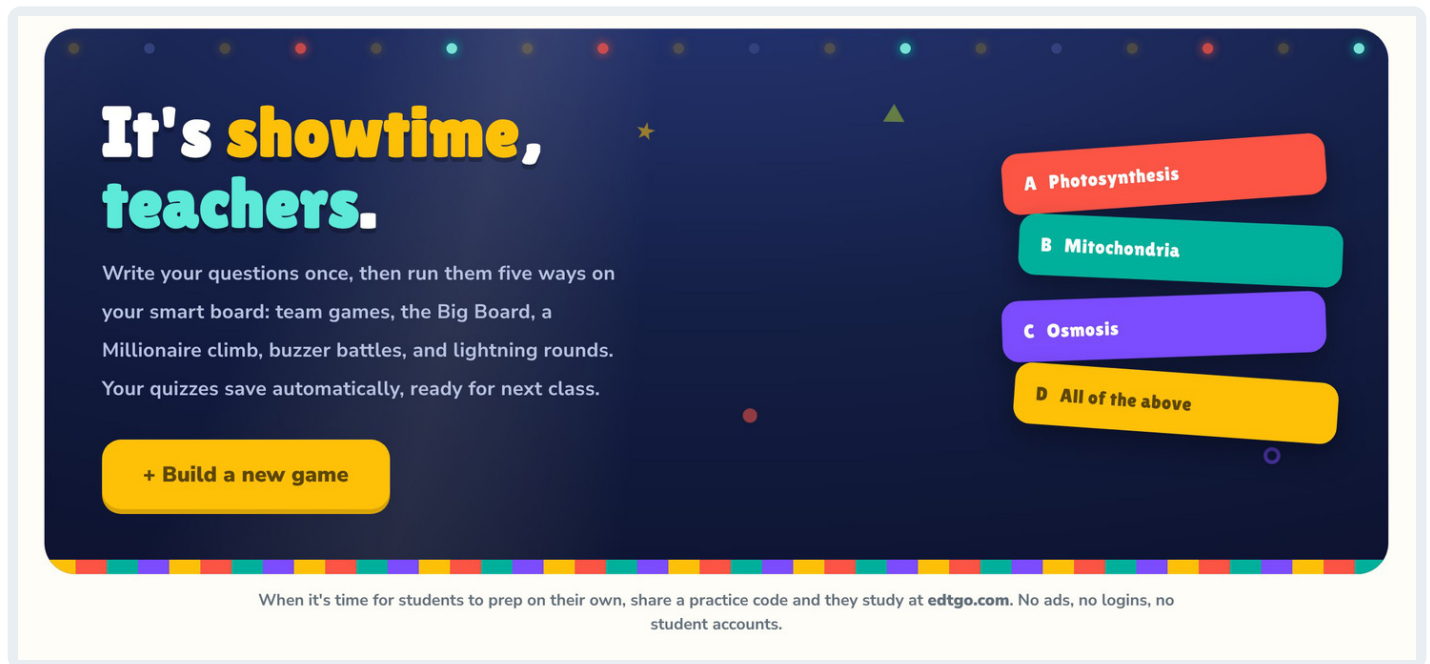

Save boards in EdCloud and open them on another device.

edtomorrow.com/edboard

EdQuiz

One question set. Five ways to play.

Create a set once, then choose a format that fits the room. Use it for whole-class review, student practice, or a printed quiz.

Create and organize review games in EdQuiz.

Classic Teams	Teams race the clock. Award points and finish with a podium.	FREE
Lightning Round	The whole class takes on rapid-fire questions against the clock.	FREE
The Big Board	Choose categories and dollar values. Find the hidden Daily Double.	PLUS
Millionaire	Climb the ladder with 50:50, Ask the Class, and Swap lifelines.	PLUS
Face-Off	Two teams buzz in. A wrong answer gives the other team a steal.	PLUS

More ways to use it: Share a practice code through edtgo.com or print a quiz with an answer key. Save in your browser, or use EdCloud with Plus.

edtomorrow.com/edquiz

EdCards

Keep the content. Change the practice.

Turn vocabulary and key concepts into a study set. Type terms and definitions, paste a list, or import a Quizlet export. Practice the same content five ways.

Bring learning to life, five different ways.

Turn vocabulary, review terms, and key concepts into engaging study activities for the whole class. Create or paste a set, then choose from five simple ways to teach, practice, and review together.

+ Create a set
Paste a list
Have a code?

When you want students practicing on their own devices, share your 6-letter code and they study at edtgo.com. No ads, no logins, no student accounts.

Enter a share code

All
English / ELA
Mathematics
Science
Social Studies
World Languages

Build a set or paste terms and definitions from an existing list.

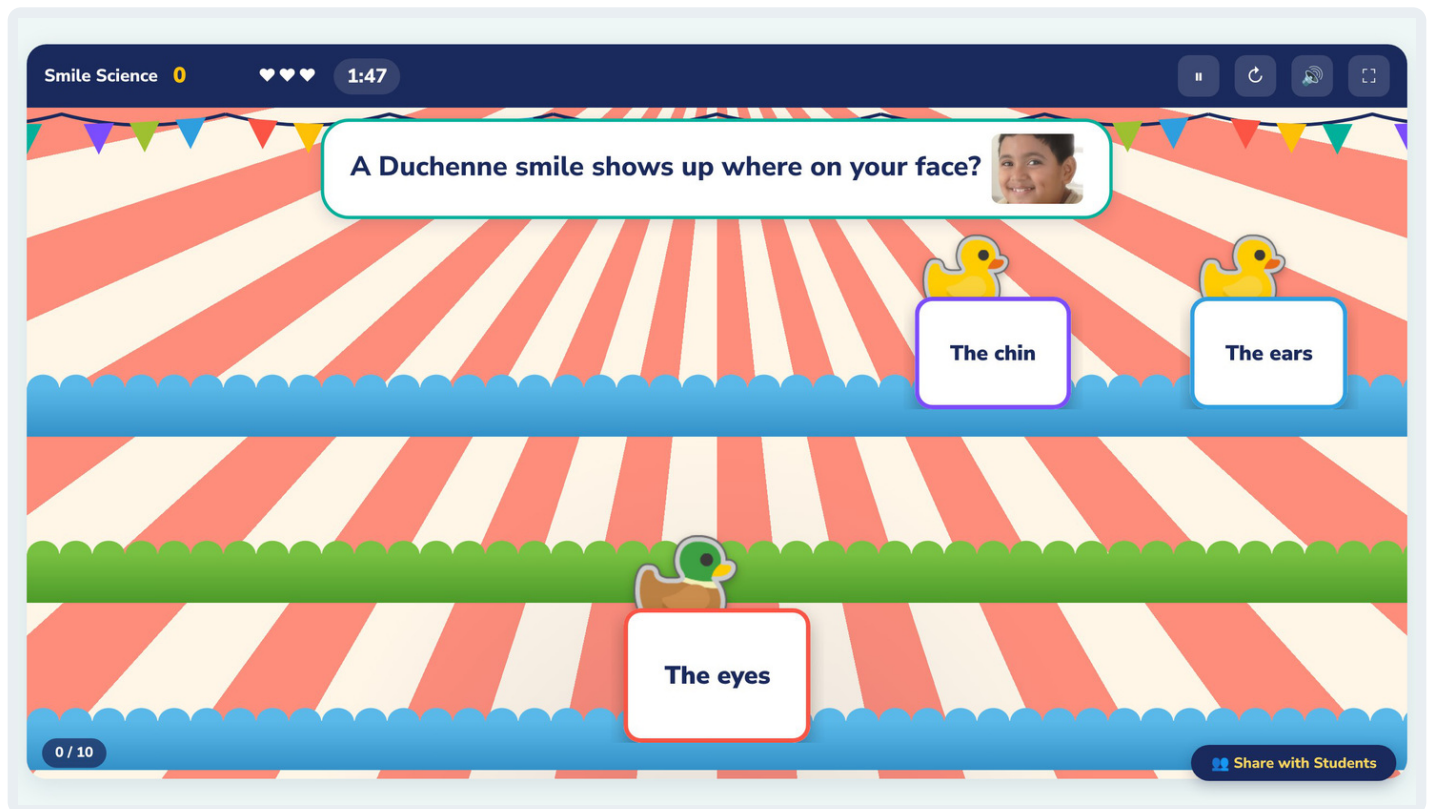

Flashcards	Flip through terms and definitions on your board or device.
Learn	Move from choices to typed answers. Missed terms return for practice.
Match	Pair each term with its definition to clear the board.
Test	Mix multiple-choice, written, and true-or-false questions. Grade instantly.
Blitz	Race a 60-second clock. Judge matches and build a streak multiplier.

On screen or on paper. Share a six-letter code at edtgo.com, print a worksheet, or print cut-out flashcards.

edtomorrow.com/edcards

A fresh EdGame. A shared challenge.

Quick games for a brain break, a warm-up, or a little friendly competition.

Smile Science in Carnival Pop-Up. The three most recent EdGames are free to play.

PLAY TOGETHER

Open the day's game from the First Five or EdGames Hub. Project it and work as a class.

CHOOSE THE PACE

Use Regular, Extra time, or No timer. Submit a class score to the daily leaderboard.

CLASS PASS / FIRST FIVE PLUS

Share a five-letter Class Pass code at edtomorrow.com to open the arcade on student devices for 24 hours.

edtomorrow.com/edgames-hub

EdGames Builder

Your lesson. Their next game.

Bring your own content to the game formats students already enjoy. Build, preview, and share from one place.

The screenshot shows the '1 Add your content' step of the EdGames Builder interface. It includes a text input for 'Game title, e.g. Unit 4 Vocabulary', a text area for 'Your questions and answers' containing 'Ohio = Columbus', '2 x 6 = 12', and 'Photosynthesis = How plants make food', a 'Formatting help' link, a 'Remix Plus' button, and a section 'Or start with an example:' with buttons for 'State Capitals', 'Spanish Greetings', 'Times Tables', and 'Solar System'.

Start with your lesson content or a built-in example.

01

Add your content

Paste questions, answer pairs, or a list from your lesson.

02

Choose a game

Pick a format that works with your content and your class.

03

Preview and share

Check the game, then share its link or QR code.

FREE

Build and play. Save up to three games with a free account.

FIRST FIVE PLUS

More game formats, unlimited saves, custom backgrounds, and Remix.

edtomorrow.com/make-a-game

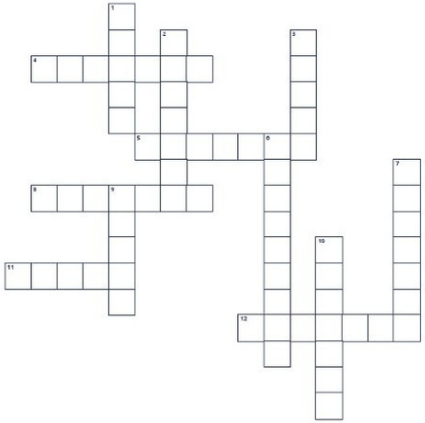

Put your content on paper.

Two free tools that turn a word list into useful practice.

Crossword Creator

Autumn Words Name _____ Date _____

Use the clues to fill in the puzzle. One letter per box.

Across

- The orange gourd carved in October
- Gathering the crops at the end of the growing season
- A knitted top for a chilly morning
- A drink pressed from apples
- All the leaves of a tree, together

Down

- The tree whose leaves turn bright red
- What geese do when they fly south for the winter
- Thin ice on the grass at dawn
- A straw figure that guards a field
- A wagon trip through the fields
- The nut an oak tree drops
- The September day when day and night are equal

edtomorrow.com

Add clues and one-word answers and watch the puzzle take shape. Print a separate answer key, solve on the board, or import an EdCards set.

edtomorrow.com/crossword

Word Search Creator

Ocean Life Word Search Name _____ Date _____

Find and circle each word. Words go across, down, or diagonally.

M	O	A	S	C	R	A	B	S	I	S	T
U	J	A	H	T	C	B	U	E	F	W	X
N	E	E	A	C	A	P	S	E	D	R	B
H	L	G	R	L	O	R	E	P	E	O	D
A	L	A	K	T	O	R	F	L	I	U	H
K	Y	U	C	H	R	B	A	I	Y	R	A
H	F	O	A	H	I	H	S	L	S	L	A
A	I	E	R	E	W	U	M	T	G	H	M
N	S	T	A	S	E	A	W	E	E	D	E
V	H	N	A	N	L	L	A	D	I	R	S
P	U	O	S	C	D	R	I	Z	D	N	W
T	N	H	O	R	N	T	W	E	E	O	S

CLAM	LOBSTER	SHARK
CORAL	OCTOPUS	STARFISH
CRAB	REEF	TIDE
EEL	SEAHORSE	TUNA
JELLYFISH	SEAWEED	WHALE

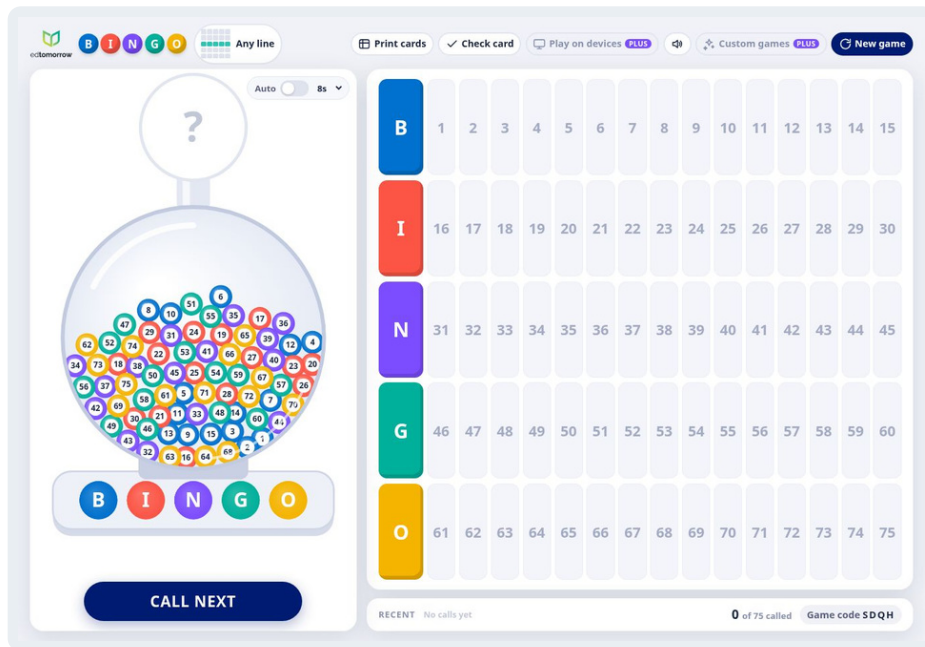

edtomorrow.com

Enter a word list and choose Easy, Medium, or Hard. Generate five layouts from the same words, then print the puzzle and its answer key.

edtomorrow.com/word-search

A little play. A lot of possibilities.

Familiar formats you can put to work across subjects.

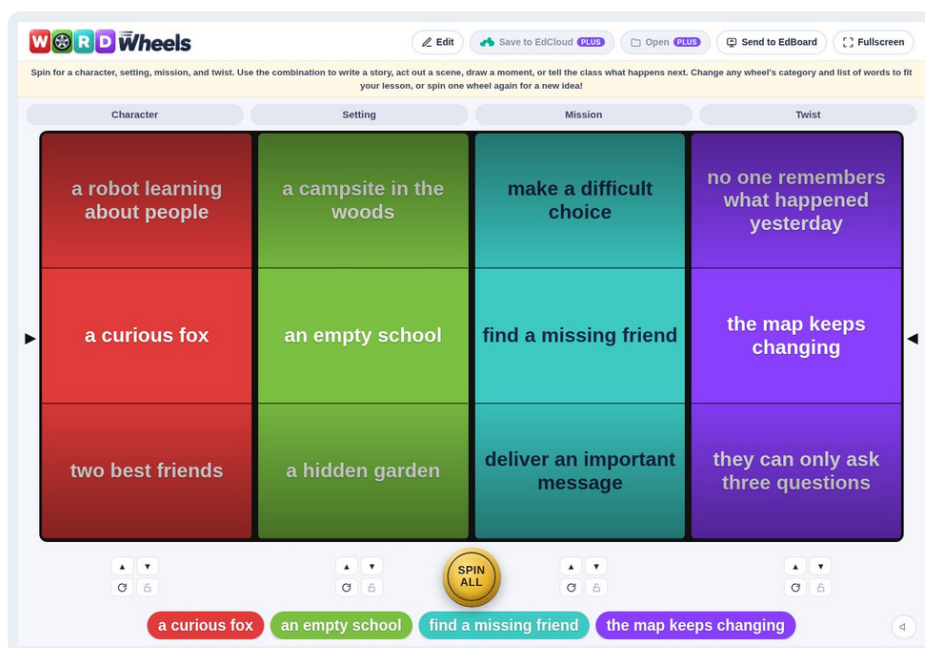

Bingo

Run classic 75-ball Bingo on your board and print cards for free.

Plus adds play on student devices at edtgo.com and custom word Bingo with lesson-based clues.

[Open Bingo](#)

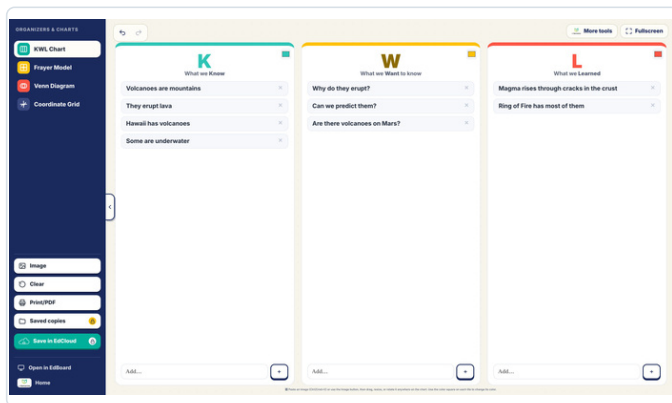

Word Wheels

Spin for a character, setting, mission, and twist. Write, act, or draw from the result. Customize categories and word lists. **Plus adds** saving your lists to EdCloud.

[Open Word Wheels](#)

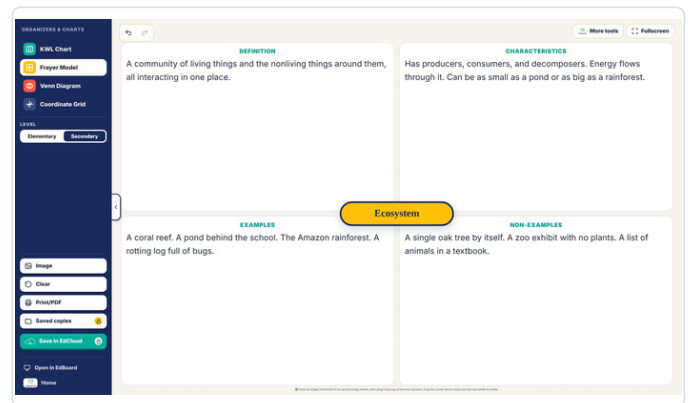

Make thinking visible.

Type as students talk. Build the model together.
Print a copy when the thinking is done.

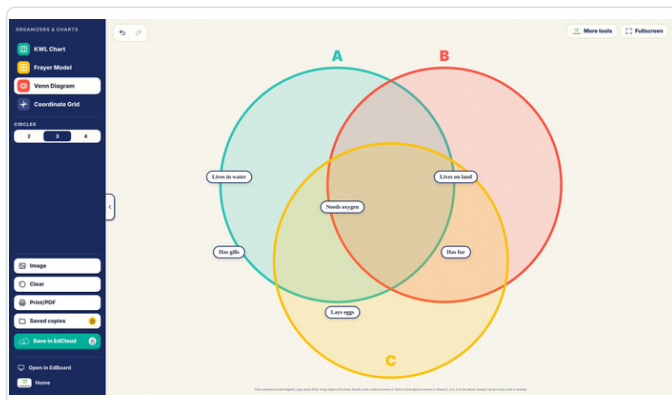

KWL Chart

Capture what students know, want to know, and learn. Recolor the columns to suit your lesson.

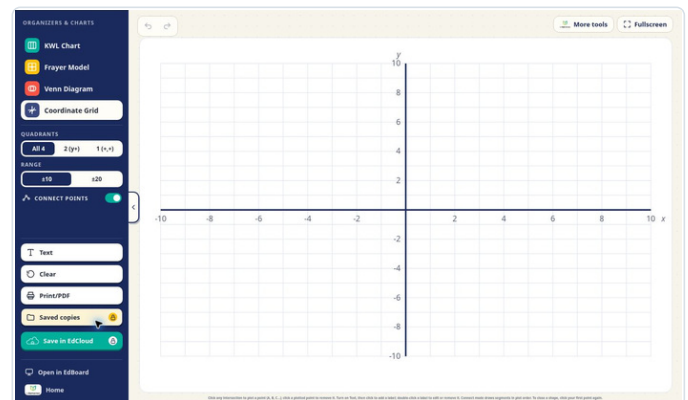

Frayer Model

Explore a word through definitions, characteristics, examples, and non-examples.

Venn Diagram

Compare two or three ideas. Place and move labels as the discussion develops.

Coordinate Grid

Plot points in one, two, or four quadrants. Connect them in order to reveal a shape.

Free to use and print. These tools also open inside EdBoard under Big Boards. Plus adds named saved copies.

edtomorrow.com/graphic-organizers

Friday Five Live

Five game shows. One shared screen.
Bring the whole room into the game.

Pick a card to open that game

HOST ON YOUR SCREEN. JOIN FROM THEIRS.

1 Choose a show

Open a game and set the options for your group.

2 Share the code

Students visit edago.com, enter your game code, and choose a nickname.

3 Play together

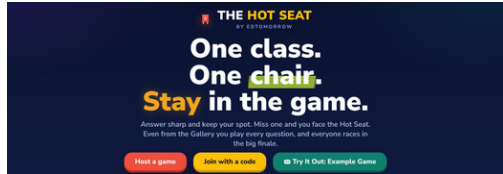

Host the round from your projector or shared display.

Explore the five shows

Choose your game on the next page

Find the right kind of fun.

Different formats. A shared way to join at edago.com.

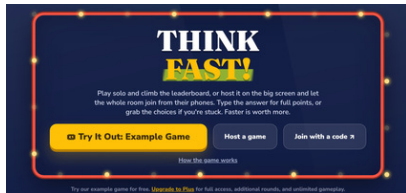

Hot Seat

Miss a trivia question and face the Hot Seat. Eliminated players keep answering in the Gallery. Everyone returns for the finale.

Hunch!

Estimate a real number with a slider. Call higher or lower than the class average, then reveal the answer together.

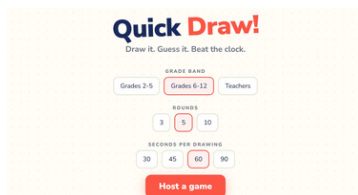

Think Fast!

Fast trivia with typed answers or choices. Select Elementary, Secondary, or Staff questions.

Classroom Feud

Two teams uncover the top answers. Choose a ready-made pack or survey your own group.

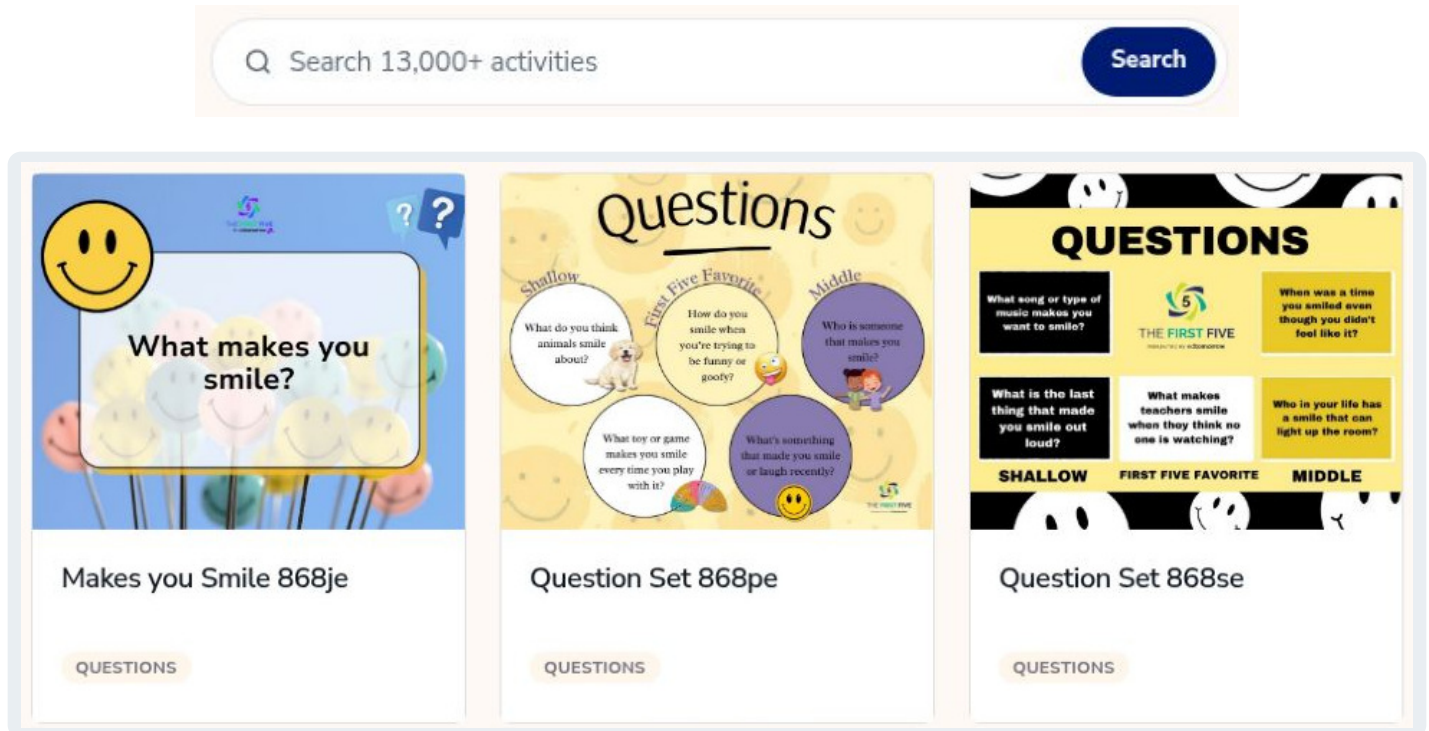

Quick Draw!

One player draws on their device while everyone else guesses. The drawing appears live on your shared screen.

Free: host one show a day. **First Five Plus:** host without that limit. Students join with a code and nickname, without creating accounts.

Good resources. Easy to find again.

Search for the moment you need. Keep what works.

Search by keyword, then browse complete activity cards.

Searchable Database

Find 13,000+ activities by component, grade, skill, or keyword. Free accounts get three searches a day. Plus adds unlimited searches, favorites, and slides.

EdCloud

Keep editions, boards, quizzes, card sets, lists, and games in one place. Plus lets you reopen supported work across devices.

[Search the database](#)

First Five Archives

Browse by date and grade band. Recent editions are free; Plus opens every grade and year.

Ask Eddy

Get help finding an activity or using a tool. Look for Eddy on teacher pages, ask a specific question, and follow the links provided.

[Open EdCloud](#)

Come back. Bring a colleague. Share an idea.

A few extra reasons to make Edtomorrow part of your day.

01 First Five Streaks

Build a class streak by returning each school day. Follow points and the seasonal leaderboard.

[Explore Streaks](#)

02 Share the First Five

Invite colleagues with your personal referral link. Earn a free month of Plus at 10 referrals and a free year at 100.

[Find your referral link](#)

03 Daily First Five Giveaway

Visit the homepage or today's First Five for a chance to win Plus access or a discount. See the page for current offers and official rules.

[View giveaway rules](#)

04 Your ideas

Tell us what would make the school day easier. Use the ideas box on a daily edition to suggest a tool or improvement.

[Share an idea](#)

TEACHER ACTIVITY / FUN FRIDAY FIND

At noon Eastern on First Five Fridays, reveal the mystery item and join the teacher scavenger hunt. Find it in your building and take a photo of yourself with it. Follow the page's submission instructions for a chance to win.

edtomorrow.com/fun-friday

Stronger practice. Stronger school communities.

Professional development and coaching for the adults who shape the student experience.

Edtomorrow professional learning brings educators into the work together.

Build shared practices through hands-on learning, in person or virtually. Edtomorrow's Whole-Child MTSS framework connects daily routines, classroom accountability, and schoolwide systems.

BUILD THE FOUNDATION
